1. A profile description
2. A letter/email or review
3. A creative story

1. **A profile description**

2. **You are going to write an email/letter or a review of app 200 words.**

You have the options between 3 subjects:

- an email to a foreign friend where you give them tips if they ever visit your city/village

Dear friend,

I'm sending you this mail to tell you about my city in sittard for when you come visit me. There is not a lot to do here in sittard we can go to a pub and play some darts or visit other cities.

Greetings from,

Ahmed

3. **You are going to write a creative story of app 250 words.**

You can choose between the following titles (and therefore the subject)

- The narrow chimney (about Santa who could not fit into the chimney)
- Because the bus was late (a story about something that happened because the bus was late)
- It all happened on Halloween's eve.
- The award show afterparty
- The time I caught Santa red-handed.
- Time traveller's tale
- ... and then I woke up (a story about a weird/scary/funny/lovely dream)
- 'Twas the night before Christmas ...

Once upon a time, in a small town, there was a boy named Tommy. He loved stories and had a big imagination. One Halloween's eve, Tommy's friends dared him to explore an old, spooky mansion on the edge of town.

People said the mansion was haunted by the ghost of Old Man McGinty, who used to live there long ago. Despite his friends warning him, Tommy bravely agreed to go. He wanted to show he wasn't scared.

As the sun went down and the sky turned dark, Tommy walked toward the mansion. It looked scary with its old, broken walls and creaky doors. The wind rustled the leaves and made spooky shadows.

Just as Tommy reached the gate, he heard a loud scream from inside the mansion. His heart pounded, but he was curious. He pushed the gate open
